

## We Remember

We remember  
What they did for us,  
They died for us,  
They fought for us,  
And they suffered for us,  
So we should do something for them,  
We can remember  
And help the veterans,  
We can do what they did for us,  
Sure we can fight,  
Sure we can suffer,  
Sure we can die,  
But we shall not  
Suffer or die or fight  
For the fun of it,  
We should do it for  
Peace and freedom,  
For our country  
And for those who did die,  
They would be proud  
To come from a country that,  
Fights for their own  
Peace and freedom,  
Not for the fun of dying and suffering  
And I am sure,  
That we are all  
So proud to be Canadian,  
And to come from a country that  
Remembers and treasures,  
Those that died and  
Those that are still alive.

SO BE PROUD TO BE CANADIAN AND BE PROUD TO BE FREE.
